**About AutoCheck**  
 AutoCheck Vehicle History Reports by Experian Automotive is the leading vehicle history reporting intelligence provider. With expert data handling, the Experian Automotive database houses over 3 billion records for nearly 500 million vehicles. AutoCheck Branded Title Reports give you the information when taking vehicles in on trade or checking vehicles at auction, with superior customer service every step of the way.

**AutoCheck Vehicle History Report Terms and Conditions:**  
 Experian's AutoCheck Vehicle History Report is compiled from multiple sources. It is not always possible for Experian to obtain complete discrepancy information on all vehicles, therefore, there may be other title brands, odometer readings or discrepancies that apply to this vehicle that are not reflected on this report. Experian searches data from additional sources where possible but all discrepancies may not be reflected on the AutoCheck Vehicle Report.
