

# AutoCheck® vs. Carfax®

Let's talk about the real facts.

AutoCheck provides better vehicle history.

AutoCheck® is powered by Experian®, a trusted leader in automotive data. We supply vehicle history reports to over 12,000 dealerships because auto industry experts recognize that AutoCheck has quality data, which gives their customers better insight into the vehicles on their lot.

## How does AutoCheck® beat Carfax®?

	Carfax®	AutoCheck®
Unique AccidentCheck summary		
Exclusive auction frame damage reporting		
Official Vehicle Report of the National Automobile Dealers Association (N.A.D.A.) Used Car Guides, eBay Motors and used by 95% of all auctions.		
Vehicle data backed by Experian		
Easy-to-understand score to evaluate vehicle history		

### Quality data

Did you know? 95% of automotive auctions use AutoCheck because of the quality of our data. You can rest assured that you are using the preferred report of the experts to ensure that you have the same insights industry specialists rely on.

### Exclusive frame damage reporting

Only AutoCheck has exclusive auction frame damage events. This helps you to get a deeper view into the vehicle that you are interested in purchasing to determine if that vehicle has reported frame damage.

### **AccidentCheck**

Clearly identify the record source of an accident and all occurrences related to that event or if the vehicle checks out with no reported accidents.

### **The AutoCheck score**

The AutoCheck score allows you to compare vehicles of similar makes and models to see how they measure up. An easy-to-interpret number, the AutoCheck score helps you to quickly evaluate a vehicle's history with a numeric score.

### **AutoCheck Buyback Protection**

AutoCheck Buyback Protection is available at no extra cost on AutoCheck vehicle history reports if a certain title brand is found after the vehicle is reported FREE of the brand. It's simple: we miss it, we buy it back.

### **So, why use an AutoCheck vehicle history report?**

- To increase your level of confidence in the vehicle you want to purchase
- To be armed with the same insight into a vehicle that the experts use
- To have greater visibility into whether or not the vehicle you are interested in has been in an accident or if it has frame damage

When you use an AutoCheck vehicle history report, you can trust you are getting the information you need to make the best decision about a vehicle.
